SOME CHANGES THIS YEAR...

This year we will be limiting the number of conference attendees to 400 people. We are also going to have a firm deadline for registration. That deadline will be **May 10th, 2024**. We are doing this so that we don't overbook. Those who seek to register after we've filled our quota will be put on a waiting list. If we have any cancellations, we can allow those on the wait list to take their places and will be informed of that.

Many have asked about the cost of the Memorial Day conference at Twin Rocks Friends Camp. The camp charges us per attendee for meals and lodging. The lodging cost is variable depending on the accommodations. The cost breakdown is as follows: the rate for three nights and five meals (**no lunches this year**) ranges between \$149 to \$252 per person, depending on the lodging. The standard rate per person is \$206 this year. This is for persons nine years and older. Children ages 3-8 are half price. Children under age 3 attend free. The mission has never charged for the conference cost. We've chosen to operate solely on a free will offering basis. This is a faith ministry, and we are trusting the Lord to provide for all costs.
